

Collecting Authorization for customers from EU-member states

Herewith I authorize

(Customers' name / company)

(Customers' address / company)

the following person / forwarding agency

(Name and address of the collecting person resp. forwarding agency)

to collect the purchased goods which I / we bought for the coverage of commercial demand within

METRO Deutschland GmbH

branch _____
(enter the location of the Metro / Metro-Gastro market)

on my behalf and at my own risk.

(Place and date)

(Customers' signature)

(Place and date)

(Collectors' signature)

Annotation:

For the collecting of an authorized person

1. The collector has to present the completely filled in and signed authorization as original; it remains within the Metro market.
2. The authorization is only valid for one time
3. The collector has to identify himself. The number of the identity card / passport has to be registered.
4. The name of the collector has to be registered if the authorization has been issued on a company and the collector was able to identify himself as an employee of this company / forwarding agency.
5. The license number of the delivery truck / van is to be noted.

Otherwise a hand-over of the goods is **not** possible.
